

NOFA-NH

Farm Share Program

Information Sheet

1. Program Objective

The objective of NOFA-NH's Farm Share Program is to provide subsidized CSA shares for limited income individuals, families, and seniors from NOFA-NH member farms that have an established community-supported agriculture (CSA) program.

2. Eligibility and Requirements

A. Farm Eligibility

Farms wishing to participate in the Farm Share Program must be certified organic for livestock and/or crops, must be a member farm of NOFA-NH, and must have an existing CSA as part of their operations.

B. Farm Responsibilities and Requirements

Farms selected as grant recipients shall:

- Help promote the program to potential CSA share recipient(s) through your mailing list, on your CSA application, and/or in your community.
- Work with NOFA-NH staff to identify CSA recipient(s) and share type.
- Provide communications with selected CSA recipient(s) as with all of the other farm CSA members (newsletters, emails, etc).
- Submit follow up survey information to NOFA-NH at the end of the grant period.

3. Program Funding and Duration

A. Funding Availability

NOFA-NH will subsidize 50% of the cost of each share. We ask that you subsidize 25% of the share (either directly or indirectly via contributions from your existing CSA customers, some other fundraising effort, or a combination of methods), and that each recipient subsidizes the remaining 25% of their share. Awards no less than \$250 and no greater than \$350 will be considered. Program administrators reserve the right to offer funding to selected applicants at an amount less than requested in the application budget.

B. Program Duration

This program ends December 31, 2019. All reporting information must be submitted by December 31, 2019. NOFA-NH anticipates offering this program in subsequent years.

NOFA-NH

Farm Share Program

Information Sheet

C. Timeframe: Grant Award Funding Decisions and Allocations

PROCESS	TIME FRAME
1. Application is available.	January 15, 2019
